

Refund Policy

Scope

This policy applies to all Ace College commencing and re-enrolling students, and to students seeking to and withdrawing from a course or courses for which they have paid fees.

It also applies to those students whose Confirmation of Enrolment (CoE) for courses for which they have paid fees are cancelled. This policy applies to all Tuition Fees paid including those collected by education agents on behalf of Ace College, plus Non-Tuition Materials Fees and Overseas Students Health Cover fees.

Other Non-Tuition Fees are excluded and thereby non-refundable. Fees are levied for services provided to students as part of their enrolment. Student fee types include: a) Course-related fees include:

- Tuition fees: These are the fees for your course tuition, e.g. classes, the Institution's provided learning support services etc., this can vary depending on the course you choose to study.
- Course materials fees: These are mandatory fees for materials that specially relate to the provision of the course. Where possible, these are advised at time of offer.

Administrative fees include fees such as initial enrolment fees for administering the enrolment, change or course fees, fees for re-issuances of award certifications, and course materials replacement fees.

Incidental fees include fees such as airport pick-up, accommodation placement, OSHC fees. These are fees for goods and services which are not essential to a student's program of study, or where the goods/services are also available to students in an alternate form, free of charge. They may also include fines or penalties, levied principally as a disincentive and not to raise revenue or cover administrative costs, such as late payment or late re-enrolment fees.

The statement should be read in relation to policies and procedures relating to:

National Standard Code 10, Complaints and Appeals; and National Code Standard 9, Deferment, Suspension or Cancellation of Study During Enrolment in relation to Compassionate and Compelling Circumstances. Neither this policy nor a student's right to submit internal and external (to the Overseas Students Ombudsman) complaints and appeals removes that student's right to act under Australia's consumer protection laws.

Refund Eligibility

If an applicant accepts a place offered by Ace College, pays the stipulated fees and signs the Acceptance Agreement, and is subsequently issued with a Confirmation of Enrolment, a binding contract has been created between the student and Ace College and therefore the Refund Policy is activated.

Refunds and Visa Issues

If a student's visa application is rejected, the student will be entitled to a Full Refund of Course Tuition Fees or CoE Security Deposit Plus Non-tuition Fees, minus the lesser of 5% of the amount of Course Fees received before the visa application refusal date or \$500; and a Full Refund of the Overseas Student Health Cover Fee.

The student will need to notify Ace College, apply for a Refund of Fees and send a verified copy of the original visa rejection letter from the Australian Embassy/Consulate or Immigration Office.

Ace College will then process the application and refund the approved amount to the student. If a student withdraws their visa application on request from Ace College, the student will be entitled to a Full Refund of Course Tuition Fees OR CoE Security Deposit plus Non-tuition Fees, minus the lesser of 5% of the amount of Course Fees received before the visa application refusal date or \$500; and a Full Refund of the Overseas Student Health Cover Fee.

Refund Procedures

On-shore students may apply for a refund by completing and submitting online Ace College Refund/Withdrawal Form.

If the applicant is enrolled in a package course the Application for Withdrawal will be transferred to the provider of the student's Principal Course for determination:

If the Principal Course provider's determination is in the negative the Application for Withdrawal from the Ace College feeder courses will similarly be rejected and the student will be notified, such notification including advice relating to the right to and mode of submitting an Internal Appeal.

If the Principal Course Provider determines to approve withdrawal, the application for withdrawal from the Ace College feeder courses will be approved and the student will be informed.

Applications for withdrawal from the Ace College courses and refunds will be processed within two weeks (10 working days) and, if successful, progress with recommendations to the Accounts Manager for determination of the Refund Application.

Applications may be made for the refund of fees on the ground of exceptional circumstances which provide compassionate and compelling reasons for withdrawal from a course.

Such applications will be considered on a case-by-case basis. All Applications for a Refund will be determined by the Accounts Manager and will normally be processed within 20 working days (four weeks) of the Application being made. Where this is not possible the student will be informed.

On determination of the application, the student will be informed in writing and, if the determination rejects a Full Refund, information will be provided informing the student of their right to make an Internal Appeal against the decision and the means of submitting such an Appeal.

Complaints, grievances, or appeals.

If a student is not satisfied with the outcome of an application for a refund of fees, the student has up to Four (4) weeks (20 business days) from the date of the refund application outcome notification to appeal the refund decision.

To do so the student must lodge their written appeal to the Institution to the email address advised in the refund application outcome notification setting out their grounds for the appeal and including any verified evidence in support of their claims.

Refund appeal applications will be considered by the Institution’s authorised designated senior officer (or nominee). The student will be notified of the outcome of their appeal within four (4) weeks (20 business days) of lodgement of their written appeal application.

The availability of the institution’s refund policy, procedures and appeals processes does not affect a student’s right to submit a complaint, grievance or appeal to the Institution or externally (e.g. to the Overseas Student Ombudsman).

For further details refer to the complaint, grievance and appeals policy and procedures published on the Institution’s Forms webpage. The right to make complaints and seek appeals of decisions and action under the Institution’s various processes does not affect the rights of the student to act under the Australian Consumer Law if the Australian Consumer Law applies. Refunds will be made in Australian dollars and the school reserves the right to make refunds payable in the country of origin. Agency fees, if applicable, will not be refunded. Where an international student requests that the refund is made payable to a relative or other person in Australia, this will only be granted if documentary evidence proves that the relative or other person paid the Tuition Fees.

Once this date has passed, the student is financially liable for all course-related fees for their enrolled courses. The census date is normally the 10th working day from the course commencement date unless otherwise published on the Institution's website. This date may vary from course to course. The student is responsible for ensuring they are aware of the census date for the applicable study period for their enrolled course.

Commencement Date has the same meaning as the Start Date and is the commencement date of the course (or initial course in a packaged program) indicated on the student's Offer and Acceptance Agreement.
